From Our Family to Yours

For You, Your Home, & Environment

"During early studies a comprehensive knowledge of keeping a green household was developed by our family. In 1983 we crossed over to natural and never looked back. These days we grow and make many of the products we use at home. This includes a daily use of essential oils for aromatherapy and cleaning as well as medicinally for our physical bodies and spiritual well-being."

Living Green

Natural living styles for health and well-being that we've discovered during our journey to be a family, cook with whole foods, exercise, garden, keep a green household, share spiritual awakening, and many other holistic practices.

All Purpose Natural Cleanser 4oz \$6.95

Originally designed to clean & disinfect the fiberglass shower/tub insert we have in our home, we now use it as the cleanser in the bathroom as well as in the kitchen sink! Blending the intrinsically antibacterial qualities of Eucalyptus with natural bleaching agents like peroxide creates a non-toxic disinfectant that is up to the task of any cleaning job.

Veggie Wash & Ring Brush 12 oz wash & ring brush \$12.50

Natural veggie wash is formulated to use with all fruits and vegetables; a few drops in your greens wash water, or a pump on your ring brush to scrub potatoes, removes dirt and other surface debris.

Essential Oil Synergy Sprays

Made especially for immediate refreshing results; you can request a specific scent, or choose one of our universal ones. Shake well and mist the airspace and environment around you, breathe deeply and enjoy! Safe to spray on fabrics and skin alike.

Revitalize Your Environment 4oz spray \$10.00

Personal Travel Protection 4oz spray \$9.50

Take a Moment to Chill 4oz spray \$10.50

Living Green

Foaming & Moisturizing NOC Extravagant Soaps

Our limited ingredient soaps foam up for a luxurious experience while washing, and leave your hands feeling soft, moisturized and sanitized.
